**DOUBLE HAPPINESS AS ONE FABER GROUP UNVEILS POLAND'S BELLS OF HAPPINESS
AT FABER PEAK SINGAPORE**

Singapore, 29 October 2019 – In celebration of 50 years of Polish-Singapore diplomatic relations reflecting the maritime traditions of the two nations, One Faber Group unveils the newly renamed Poland's Bells of Happiness after being presented with a second commemorative bell of the "Dar Młodzieży" tall ship.

The bells were unveiled today in the presence of **Coordinating Minister for Infrastructure, Minister for Transport of Singapore Mr Khaw Boon Wan** and **Minister of Maritime Economy and Inland Navigation of Poland, Mr Marek Gróbarczyk**.

The new bell marks the first anniversary of the vessel's Singapore port of call in October 2018 and will be symbolically united with the existing Faber Peak's "Bell of Happiness" from the majestic Polish ship "Dar Pomorza", also known as the "White Frigate". The existing Bell of Happiness is believed to bring good fortune to newlyweds and has rung in many wishes for joy and happiness since it was gifted to Singapore in 1992. With the two Poland's Bells of Happiness now hanging side by side, they will continue to bring joy and "double happiness" to all who ring them, welcoming an everlasting and blissful future.

Mr Buhdy Bok, Managing Director, One Faber Group, said: "We are very honoured to be the recipient of the new commemorative bell of 'Dar Młodzieży', marking 50 years of Poland-Singapore diplomatic relations. This bell could not have come at a better time, especially as we celebrate the Singapore Cable Car's 45th anniversary. The Cable Car is an iconic attraction that has played a significant role in the Singaporean tourism landscape for 45 years with close to 57 million riders since we started in 1974. The Faber Peak "Bell of Happiness" has been a popular stop for guests visiting the destination and a key symbolic element for couples holding their solemnisation here, so we hope the two bells will bring double the happiness to all our visitors."

The Singapore Cable Car has been capturing the hearts and minds of locals and tourists with its breath-taking scenic views of Sentosa Island, Mount Faber and the Harbourfront, offering guests seamless access to a collection of unique leisure activities from the hilltop to the island.

In celebration of the Singapore Cable Car's 45th anniversary, One Faber Group is rolling out a year-long line-up of exciting activities, events, promotions & F&B creations at Mount Faber from 30 March 2019 till April 2020. Guests can look forward to new experiences at our refreshed offerings such as 100M Private Dining, Miraculous 2, as well as the newly refurbished Arbora Bistro and Singapore Cable Car Gift Shop @ Faber Peak that will allow them to (re)visit and (re)discover Singapore's only hilltop destination.
