ONE FABER GROUP & GAIGAI JOINTLY PRESENT 'LOVE IN THE AIR' ON 10 & 11 NOVEMBER 2018

The first speed-dating event on Singapore Cable Car (Sentosa Line) held in conjunction with 11.11 Singles' Day. Set against a romantic backdrop of sea and sand on Sentosa Island, this mega event anticipates the participation of 96 singles who will be looking for love in the air!

Singapore, 17 September 2018 – **One Faber Group** – operator of Singapore Cable Car, Wings of Time and Sentosa Merlion – has partnered with leading dating agency **GaiGai** (owned by Paktor group), to organise "Love in the Air" to celebrate Singles' Day over 10 and 11 November 2018.

On either day from 6:00pm till 9:30pm, there will be 48 singles seeking romance in cable cars soaring above Sentosa Island under the beautiful night sky; this novel speed-dating event expects a total of 96 participants over two days. For these two nights only, the Sentosa Line cable car cabins will be specially decorated with flower string lights to impart a conducive ambience, so that participants can relax and break the ice over a glass of wine amid aerial views of Sentosa Island. Launched in 2015, the Sentosa Cable Car Line is an 89m-long intra-island cable car service that links the three main attraction clusters at Merlion Plaza, Imbiah Lookout and Siloso Point.

"There has been a lot of buzz about Singles' Day over the last few years, and we are delighted to collaborate with GaiGai this year to organise a cable car speed-dating mega event that will appeal to those looking for a life partner. This novel event is part of our continuous efforts to engage our local guests by offering a variety of memorable experiences on the iconic Singapore Cable Car," said Mr Buhdy Bok, Managing Director, One Faber Group.

"Our annual Singles' Day Mega Event has always been a yearly highlight to introduce new and interesting dating experiences for our members. This year, we are delighted to host our event at the Singapore Cable Car Sentosa Line, which forms the perfect backdrop for romance. As one of Singapore's biggest modern dating agencies, GaiGai will continue to organise more trendy singles' events with our network of established partners as platforms to promote quality connections and successful matches," said Mr Alex Tam, Chief Executive Officer, GaiGai.
