### Singapore Cable Car and The Escape Artist Present First Ever Escape Game on the Sentosa Line

Singapore, 29 May 2017 – This June, thrill seekers will experience the first ever escape game played whilst onboard the Sentosa Line of the **Singapore Cable Car**. In collaboration with **The Escape Artist**, players will battle against time to solve puzzles using critical clues located within Sentosa, amidst stunning views of the island's beaches.

From 12 June 2017 to 2 July 2017, in teams of four to six, participants will be given an hour to race to their final destination using the Sentosa Line and collect clues across different points within Sentosa, including cable car stations located at Imbiah Lookout, Merlion and Siloso Point. Extra time will be given to participants each time they successfully solve a puzzle.

#### The Guardians: An Unravelling Adventure

The Escape Artist has designed an escape game on Sentosa Island that will challenge the uninitiated as well as the expert escape gamer for an island adventure. **The Guardians** is set during a time when Ancients and Celestials ruled the world. Differing views between these two factions often led to blows.

Cassius, one of the most powerful Celestials, fell in battle and escaped to an enclave to recuperate, guarded by the mystical creatures that live on the island. As Cassius grows stronger, his essence seeps out of the enclave, drawing brave humans towards the island to seek out his powers.

Participants are sent on a task to overcome challenging obstacles set out by Cassius's guardians to protect their master, before time runs out and they are trapped in the island for eternity!
